OPULENT CHARM

There lived a king who thought he had all the riches of the land. Yet before he saw these diamonds bedecked in garments sublime, emanating a golden aura. Still slain, he weeps for riches which could never be his.

A PRICELESS

*Of all the things in heaven and earth that
have finite forms, the most beautiful, the most
pure, the most eternal, is love. Do not waste
your life in these things. Be like a bird flying
above the world.*

DAZZLING PATTERNS

Often say they are not patterns. They're messages from a time when the world was younger and more beautiful. They're woven into the intricate garments of those living moments, for only they can bring about the eye down with their grace and style.

**SPARKLING
FINESSE**

*Once a great white tiger spoke of a
sparkle, a glow which would consume
the planet with its intensity. Once
maidens were born seen afar, and
from a very young age glowed bright-
er than the remaining masses.
Seeing their sparkle and that of their
shimmering clothes have infected the
masses with their inherent charm.
The prophecy came true!*
